### Advantages & Benefits:

- **Specifically validated for SARS-CoV-19** by Instituto de Salud Carlos III (ISCIII).
- **CE-IVD Certified for usage in in-vitro Diagnostics** (License No.: 7817-PS).
- **Best performance & Efficiency.**
- Compatible with Manual and most used equipments for **Automated Extractions**
- **Cost-effective:**
- **Fast results** with minimal handling steps.
- **In Stock:** ready-to-ship.
- **Designed & Manufactured in Córdoba (Spain).**
- **Ready-to-use:** viral RNA is suitable for use in RT-PCR and qRT-PCR.

**Cat. No.**  
AN0501  
AN0501-XL

**Size**  
96-well plate  
5 x 96-well plate
