pipetman® L

25% OFF

The most comfortable models in the Gilson portfolio. The more natural fit of the pipette lets you relax your grip to make pipetting less fatiguing for your hand

+ Volume locking mechanism guarantees no accidental volume change during operation which could alter accuracy and precision.

+ Ideal weight, handle shape and tip ejection for all day pipetting comfort.

+ Use in conjunction with PIPETMAN® DIAMOND or AMPLIPUR FILTER tips for complete confidence in your results.
